El nivel Básico A2, además de incluir unos contenidos gramaticales específicos, supone la consolidación y ampliación de los asignados al nivel básico A1. Así, los niveles Básico A1 y A2 recogerían los contenidos señalados a continuación. Se recomienda encarecidamente a todos los candidatos que se familiaricen con ellos consultando nuestra programación.

Los ejemplos específicos de estructuras usan un único exponente; por lo tanto no deben ser entendidos como los únicos exponentes posibles de dichas estructuras, sino una posible ilustración de su uso.

Cuando las columnas aparecen partidas, en la parte izquierda se relacionan los contenidos que se han introducido en el nivel Básico A1 y en la derecha los contenidos que se amplían en el nivel Básico A2.
