

PORTRAIT

In this exercise I need you **to draw a portrait.**

Use a piece of normal paper ("Folio"). Draw a portrait as big as possible.

Colour it with your coloured pencils.

The recommended time is 2 hours.

1- I'm giving you three photographs of famous actors. Chose one of the actors given.

2- I'm giving you a picture with a diagram that will help you.

How to proceed?: (Cómo proseguir o avanzar?)

-Firstly: you need to draw an OVAL for the face. Draw the oval as big as possible.

-Secondly: take a careful look at the diagram give. You need to copy the main lines in the diagram:
a line for the mouth; a line for the nose; a line for the chin, etc...

-Thirdly: you can go ahead drawing the details of the potograph.

Take it easy. It's not that difficult !!!
